

APPENDIX A

SEWER SYSTEM CONSTRUCTION DETAILS

| | |
|----------|---|
| ECCV-1S | Standard bedding for sewer line |
| ECCV-2S | Special bedding for sewer lines |
| ECCV-3S | Standard bedding with underdrain |
| ECCV-4S | Precast manhole |
| ECCV-5S | Manhole base and deflector detail |
| ECCV-6S | Manhole knockout detail |
| ECCV-7S | High point manhole detail |
| ECCV-8S | Outside drop manhole- 15 in and smaller |
| ECCV-9S | Outside drop manhole- 18 in and larger |
| ECCV-10S | 24 in ring and cover |
| ECCV-11S | 24 in ring and bolt down cover |
| ECCV-12S | Bolt down 30 in ring and cover |
| ECCV-13S | 36 in X 24 in double ring and cover |
| ECCV-14S | Composite lock down ring and cover |
| ECCV-15S | Intermediate Platform Detail |
| ECCV-16S | Compact composite step |
| ECCV-17S | Composite Step |
| ECCV-18S | Service connection to new construction |
| ECCV-19S | Sewer service connection to existing main |
| ECCV-20S | Service connection to dead end manhole |
| ECCV-21S | Concrete encasement |
| ECCV-22S | Steel marker post |
| ECCV-23S | Carsonite marker post |
| ECCV-24S | Sanitary sewer line repair |
| ECCV-25S | Cleanout detail |
| ECCV-26S | Dead end cleanout detail |
| ECCV-27S | Commercial grease interceptor 1 of 2 |
| ECCV-28S | Commercial grease interceptor 2 of 2 |
| ECCV-29S | Sand and oil interceptor 1 of 2 |
| ECCV-30S | Sand and oil interceptor 2 of 2 |
| ECCV-31S | Restrained Casing Spacers |
