

**OFFICIAL PUBLIC NOTICE**

**Water Use Restrictions  
For Customers of the East Cherry Creek Valley Water & Sanitation District**

In accordance with Articles 12.4.3 and 12.4.4. of the Amended and Restated Rules and Regulations of the East Cherry Creek Valley Water & Sanitation District (the “District”), the District’s Manager has determined that due to the present and anticipated potable water needs of the District’s customers, the following mandatory water restrictions (the “Water Restrictions”) have been put into place:

<b>2026 Restrictions</b>
<b>Prohibition on outdoor turf watering.</b>

Penalties for violating the Water Restrictions are as follows:

Waste of Water Violation Fee

Offense Number	Per Meter on Account
1	Warning
2	\$100
3	\$250
4	\$500
5	\$1000
6	Shut Off

The District estimates the Water Restrictions will remain in place until approximately April 1, 2026. Notwithstanding this estimation, the Water Restrictions shall be in place until terminated by the District Manager or the Board of Directors. Any termination of the Water Restrictions will be posted on the District’s website and will be effective upon the posting thereof.

*This Notice of Water Restrictions constitutes evidence of the District’s water restrictions currently in place and may be used by District customers to evidence the same for purposes of Section 38-33.3-302(1)(k)(II), C.R.S. for as long as it is posted on the District’s website.*

**Effective Date:**

Pursuant to Article 12.4.4 of the Rules and Regulations, the above Water Restrictions shall go into effect **IMMEDIATELY**, due to a water shortage or drought emergency as deemed necessary to ensure a regular flow of water through the District’s system to meet all of the present and anticipated District demands for potable water.

Date posted to District website: February 9, 2026
